STREET AND AVENUE GUIDE.

EXPLANATION.

On referring to this Directory, it will be noticed that the names of streets, avenues, etc., follow each other in strictly alphabetical order, without regard to location. To all the *more important* streets and avenues are subjoined the names and numbers of intersecting streets, avenues, etc., in the order in which they occur, so that if you wish to find, say No. 823 St. Clair, by reference to the Guide you will find that St. Clair crosses Case av., at No. 816 and Lyman at No. 840, hence, the place you seek is between these two numbers, and nearest to Case av. The dash indicates that the corner is not numbered, is vacant, or occupied by a church or school house. In locating the small, obscure or most distant streets, pains have been taken to give the line of street cars or omnibuses by which they can be most easily reached.
